

Ornamental Fence Limited Warranty

New York and Imperial Collections

Acculink Fence & Wire Inc. is a leading manufacturer of ornamental fence products and accessories. The New York and Imperial Collections are manufactured by skilled craftsmen from high quality Galvalume™ material. Each component is thoroughly cleaned, and put through a thirteen stage wash, rinse, electro-coat, and powder painting process.

Effective June 1st, 2007, the coating on all Acculink ornamental fencing products have a 10 year pro-rated warranty against cracking, chipping, blistering, and peeling. Acculink also warrants that our fence will not rust or corrode for the same period, commencing on the original purchase date.

This warranty does not extend to damage caused by improper installation or use, abuse, abrasion, negligence, or acts of nature. Warranty is also limited when installed in areas where the product will suffer heavy salt exposure, such as near roadsides or city sidewalks. This warranty is issued to the original purchaser of the fence and is non-transferable.

Should the product fail to meet this warranty, Acculink shall repair or replace the affected components at their discretion. The warranty holder must provide Acculink with written notice of the failure along with proof of purchase. Acculink reserves the right to inspect the material in question at their manufacturing facility to determine the validity of each claim. Once a claim is approved, all removal, transport, and re-installation costs are the responsibility of the purchaser.

The above constitutes the complete warranty by the manufacturer. No other agreement, written or implied, is valid. Acculink does not authorize any other person, agent, or dealer to make any other express warranties, or changes to this warranty.
